

GLYNNDEMS DIGEST

Volume 1, Number 5– August 2024

“A WHOLE NEW WORLD”

Things changed quickly on July 21st from Candidate Biden to Candidate Harris. **BOOM!** Our party’s direction went from ground level to skyward. August 22, 2024, we will have an official presidential nominee, Vice President Kamala Harris. We can elect the first woman to the presidency. Now we will help bring the change to come on November 5th. You know what to do; phone bank, door knock, canvass, talk to family, friends and neighbors, and get people to the polls.

Introduction of the Harris Campaign

After the opening of the Coordinated Campaign Regional Office, we now have a full complement of Harris campaign workers. If you have been in our office, you have seen them but let us formally introduce them to our GlynnDems community.

Here is the team:

Kendra Rolle: Regional Organizer

Jennifer Daniels: Engagement Organizer

Jason Ordeneaux: Field Organizer

Jimmy Flood: Field Organizer

Kendra Rolle

Kendra Rolle is no stranger to the political world. Her GOTV work started when she moved back to Brunswick in 2010. The reason Kendra decided to work on the Biden/Harris Campaign now the Harris Campaign is because there is so much at stake. Getting Democrats to the polls during Early Voting and Election Day is the key to win this election. #YesWeKam

Jimmy Flood

Jimmy Flood was raised in Reston, VA and graduated from the University of Virginia in May 2023, so he's a Virginian through and through. He decided to work the presidential campaign because before he's a Democrat, he's a lowercase “d” democrat who knows that our fundamental democratic principles are under attack. Jimmy knows that the path to winning this election runs through Georgia, so he made the journey down to help

fight for our democracy in a place where every call made, door knocked, and postcard sent may make the difference.

Jennifer Daniels

Jennifer Daniels is the Engagement Organizer for the Harris Campaign. She is married to Defonsio Daniels, who is a candidate for House District 180.

Jason Ordeneaux

Jason Ordeneaux is one of the field organizers for the Harris campaign. He lives in Camden County and is from Charleston, South Carolina. He joined the campaign because of how important it is we stop Trump from getting into office with all the damage he did from 2016-2020.

The Harris Campaign to Savannah

The Harris Campaign has hit road running crisscrossing the United States with rallies featuring local officials and dignitaries as well as the Vice President Kamala Harris! The crowds have been electric with excitement with the hope and anticipation of electing a woman, President.

Let’s review her platform. Vice President Harris supports a woman’s right to bodily autonomy and medical care, building the middle class, making health care, childcare, elder care and family leave more affordable, eliminating “junk fees”, reduce consumer debt, climate and environmental justice, support the border bill that Trump scuttled, committed to supporting Ukraine and in support of solution between Israel, Hamas and survival of the Palestinian people.
