

GLYNNDEMS DIGEST

Volume 1, Number 4– July 2024

PREPARATION!!!

Yes, it's underway-GOTV- (Get Out the Vote). The GlynnDems along with the Democratic Party of Georgia and the Biden-Harris Campaign are coordinating our efforts to increase the democratic vote in Glynn County. To increase our effectiveness, we will be training our volunteers in best practices for door knocking/deep canvassing and phone banking. We are not leaving out our other volunteers. We will have others organizing post carding for local candidates, more office staff and meet and greets. We are excited to do the work and elect Democrats up and down the ballot in November!

Getting Out the Vote

The Glynn Dems collaborate with the Democratic Party of Georgia, the Biden-Harris campaign and other progressive organizations to get our supporters to the polls.

Door to door canvassing is the most effective way to get out the vote followed by phone calls, peer to peer texting, direct mail, and literature drop in that order.

We pride ourselves on a strong field game that helped elect Biden-Harris along with Senator Warnock and Senator Ossoff. This year we will need all your help again to get out the vote for Biden-Harris, Patti Hewitt (CD1 Democratic Nominee), Defonsio Daniels (Democratic nominee for GAHD 180), Rebekah Moore (Democratic nominee for GAHD 167) and Bob McKenzie (Democratic nominee for school board District 3).

Please stay tuned for upcoming trainings and get ready to bring home the win for Democracy in November!
