A New Way Forward

Thank you EVERYONE who worked tirelessly with the Harris Campaign and the GlynnDems. We see you, hear you and appreciate everything you did during this election season. Thank you, canvassers, phone bankers, post carders, letter writers, office greeters, sign waivers, donors and well-wishers. Thank you those who answered the call to be leaders in the effort to elect Vice President Harris; Mary Wray, Tim McDermott, Ricky Weaver, Duressa Pujat, Terry DeSimone, Rich Selzer, Russ Rathweg, John Smith, Regina Johnson, Jullie Jordan, Paula Galland, Penny Hennesey. Congratulations to our elected officials Audrey Gibbons School Board District 5, Allen Booker County Commissioner District 5 and Heath Holdsworth Georgia Soil and Water Conservation Commission Supervisor.

Now for the good stuff, with all your efforts in Glynn County, not only did we not lose any democratic voters, but increased democrat votes by 262. We defied the odds of the election trend and the GlynnDems are leading the way on how to continue this good fight.

In our efforts to continue to serve the community, the GlynnDems will be developing extensive plans that will put our focus on the people. We will work in-house on plans and will invite our general membership for input and volunteering opportunities.

With your help and participation, the GlynnDems will continue to grow stronger to fight the good fight.
